DESIGNER JEWELLERY

A close-up, profile view of a woman with blonde hair, looking down. She is wearing a large, multi-faceted diamond earring and a necklace with intricate gold and diamond jewelry. The background is softly blurred, showing light-colored curtains.

## EARRINGS

ADD A LITTLE SPARKLE...

## ADD A LITTLE SPARKLE...

With our new lightweight earrings you can afford to go big and make a statement. Earrings are all about detail. All our earrings are allergy free and gentle on your ears - no more sore ears.

## YOU'VE LOST ONE EARRING, HELP!

We understand how upsetting it can be to lose an earring and be left with just one you can't wear.

Please contact [customercare@miglio.com](mailto:customercare@miglio.com) with a picture of your remaining earring, and we will do our best to produce a replacement earring to complete your pair at a reduced price.
