MIGLIO WARRANTY

PLEASE NOTE

In the interests of hygiene, we do not accept returns on earrings for pierced ears.

OUR MIGLIO PROMISE

Fresh ideas, impressions and interpretations from the international fashion capitals of the world form the basis of our designer jewellery collections. All pieces may be combined or supplemented with each other creating unparalleled versatility.

Miglio jewellery is perfectly processed and each item is carefully checked by the quality department before leaving our premises. In the unlikely event that any item is found to be defective we will repair or replace it provided the item has not been damaged as a result of excessive wear and tear, improper treatment or non-adherence to cleaning and care advice.

All our jewellery is lead and nickel free.

Each piece is crafted using recycled brass and pewter. Then dipped in solid silver, and burnished and buffed to create our signature Miglio patina.

OUR CARE ADVICE

For the best care of your Miglio jewellery, we recommend that you store items separately to avoid scratching. Take care with items subjected to higher levels of wear such as bracelets, watches and pearls.

Always put your jewellery on last when dressing, as direct contact with deodorant, perfume, hairspray and body lotions may cause discolouration and damage. Avoid exposing the jewellery to detergents and salt water.

We recommend that you do not wear jewellery in bed.

Clean your burnished silver jewellery with Miglio jewellery cleaner following the instructions on the bottle.

Pearls require little cleaning other than being gently wiped with our pearl care kit. Please do not use chemical or any other commercially available cleaners.

Please view the model images for size reference

Please note: Whilst every effort has been made in this catalogue to reproduce colour, texture, shape and sizes true to life, some variance may occur in the print process or be influenced by the ambient light.
