

A woman with blonde hair in a bun, wearing a red ribbed sweater, is looking down at a necklace she is holding. The necklace features a long chain of small beads and a large silver ring pendant. She is also wearing several rings on her fingers and a small earring. The background is a blurred interior with a window and a black metal chair.

Art & Soul

MIGLIO
DESIGNER JEWELLERY

Art & Soul

Semi-precious aquamarine stones are included in some of our *Art & Soul* designs. Aquamarine evokes the purity of crystal waters, bringing peace, protection and serenity. Used in meditation, it is a calming, soothing stone with healing properties. It inspires truth with oneself and gives quiet courage.

Art is the expression of our inner most being, a display of one's soul in jewellery or on a canvas. Art is harmonious, a source of calm in our chaotic world, boundless and restful...

We craft each piece of Miglio jewellery in our Cape Town studio, creating striking styles that you will treasure.

At Miglio, we believe in quality over quantity, and not mass produced jewellery. We are one of the few companies with our own in-house design team and skilled artisans. In a country, which is facing a 27% unemployment rate, we seek to create awareness about responsible production, we are committed to sustainability and the future, seeking to uplift our local community whilst supporting the environment.

Whenever we create beautiful jewellery, we're restoring our souls...

MIGLIO WARRANTY

PLEASE CONTACT YOUR NEAREST MIGLIO OFFICE FOR WARRANTY INFORMATION

PLEASE NOTE

In the interests of hygiene, we do not accept returns on earrings for pierced ears.

OUR MIGLIO PROMISE

Fresh ideas, impressions and interpretations from the international fashion capitals of the world form the basis of our designer jewellery collections. All pieces may be combined or supplemented with each other creating unparalleled versatility.

Miglio jewellery is perfectly processed and each item is carefully checked by the quality department before leaving our premises. In the unlikely event that any item is found to be defective we will repair or replace it provided the item has not been damaged as a result of excessive wear and tear, improper treatment or non-adherence to cleaning and care advice.

Our jewellery features natural materials such as semi-precious stones, crystals and mother-of-pearl. Being natural materials, sizes and colours may vary slightly from item to item.

All our jewellery is lead and nickel free.

Each piece is crafted using recycled brass and pewter. Then dipped in solid silver, and burnished and buffed to create our signature Miglio patina.

OUR CARE ADVICE

For the best care of your Miglio jewellery, we recommend that you store items separately to avoid scratching. Take care with items subjected to higher levels of wear such as bracelets, watches and pearls.

Always put your jewellery on last when dressing, as direct contact with deodorant, perfume, hairspray and body lotions may cause

discolouration and damage. Avoid exposing the jewellery to detergents and salt water.

We recommend that you do not wear jewellery in bed.

Clean your burnished silver jewellery with Miglio jewellery cleaner following the instructions on the bottle.

Pearls require little cleaning other than being gently wiped with our pearl care kit. Please do not use chemical or any other commercially available cleaners.

Please note: Whilst every effort has been made in this catalogue to reproduce colour, texture, shape and sizes true to life, some variance may occur in the print process or be influenced by the ambient light.
